**NOTE:**

Though an effort has been made to produce the correct information, any discrepancy may please be brought to the notice of the Department. The National Pharmaceutical Pricing Authority (NPPA) is entrusted with the task of monitoring the prices of medicines and may be contacted for any clarification. The booklet contains information for price reduction only on new batches manufactured from 2nd October 2006. Efforts are being made to gradually reduce the prices on other packs/formulations also.
